CenterPointe's Therapeutic Behavioral Services

Building stronger families in our community, one family at a time.

CenterPointe Inc. | Where every child matters!

About TBS

Therapeutic Behavioral Services (TBS) provides short-term, intensive, in-home, behavioral coaching services for youth 5 to 18 years of age who receive Medicaid. TBS uses a strength-based, individualized approach to help youth and their families achieve goals, reduce risk, and thrive.

What We Do:

- Short-Term Intensive Behavioral Coaching
- Collaboration with Youth and Families
- Strength-Based Interventions
- Teach Safe Ways to Cope with Stressors
- Teach Caregivers How to Manage the Child's Behavior
- Make Families Stronger
- Services Offered in the Home and Community

How We Help:

- Improved Behaviors and Attitudes
- Reduced Family Stress
- Increased Safety of Family
- Increase the Use of Coping Skills
- Better Social Skills
- Empowerment of Youth and Family
- Short-Term Treatment with Long-Term Gains
